New COVID Testing Option in Le Mars

(Le Mars) Beginning Wednesday, December 9th, Floyd Valley Healthcare will be offering the Binax Now COVID Antigen Testing for Plymouth County. Testing will occur weekdays from 1:00 – 1:30 p.m. and 2:00 – 2:30 p.m. at the North Entrance of Floyd Valley Healthcare. Appointments can be made by calling (712) 546-3618 (***no walk-ins will be permitted***). Same-day results will be available.

This test is only available for **those that are symptomatic and are:**

- preschool/K-12 students and staff (This test will not be used as an early release back to school)
- children receiving care in and staff working in childcare homes and childcare centers with fever or respiratory symptoms (e.g., cough, difficulty breathing) without alternative diagnosis
- essential services personnel, first responder, or critical infrastructure worker with fever or respiratory illness (e.g. fire, EMS, law enforcement)
- Plymouth County Correctional Facility Inmates
